MMEx Bytes Webinars

MMEx Bytes are short 20-30 minute Webinars hosted on Go To Meeting - presented by UIH clinical and MMEx staff. The sessions introduce specific topics/areas within MMEx in order to introduce the user to the area and highlight key aspects that are useful to staff interacting with the module.

[MMEx Tasks: a sophisticated system for managing recalls](#)

[Creating and using the MMEx antenatal record](#)

[Keeping track of the client's narrative in MMEx](#)

[Comprehensive record keeping in MMEx](#)
