Welcome to The MMEx User Manual

Here you will find documentation detailing how to use the MMEx product. Included on this site are documentation on all MMEx components, [frequently asked questions](#) and [tutorials](#). If you are a first time user a good place to begin is our [Getting Started with MMEx](#) document.

For further support regarding any aspect of MMEx

- Email: help@mmex.net.au
- Phone: 1 300 722 926

Hours of Support

- Monday - Friday 6.00am to 5.00pm (WST)
- Except Western Australian Public Holidays ([WA public Holiday listing](#))

If you work for one of the following organisations, you have alternative support arrangements.

Please click on your organisation name to view this information.

- [Joyce Palmer Health Service](#)
- [IUIH and Member Services](#)

New Users

- [Quick Start Guide](#)
- Watch our [tutorial videos](#) for a quick overview of MMEx.

What's new in MMEx?

- Visit the ["What's New"](#) page to see the latest additions and improvements to MMEx
- Visit the [Release Notes](#) page to review the content of the latest release.

MMEx requests that you consider the environment before printing pages from this manual.

As MMEx is constantly improving and the manual is regularly updated, the most current information will always be found online.
